# What's the catch?

How can Hire Golden back its hires with a 36-month guarantee while most other recruiters offer only 30, 60 or 90 days?

That is the first thing most hiring managers ask us when they hear about our Unconditional 36-Month Guarantee. They want to know, "Why are we so confident that our hires will last 3 years when everyone else in the industry is unwilling to stand behind their hires for more than 30, 60 or 90 days?"

The answer is quite simple. Hire Golden has the most advanced personnel selection technology in the industry. When combined with sophisticated sourcing strategies, we have a "hassle-free" recruiting process that is second-to-none. It works equally well identifying great secretaries and sales people as it does selecting great engineers and CEOs. The process is so fast, so accurate, and so dramatically more efficient than the traditional screening methods, we have no hesitancy in unconditionally guaranteeing our placements for 36 months.

**FREE Introductory Offer.** If you are in the midst of a search, we will evaluate up to 7 of your finalists using our proprietary technology at no cost to you . . . just email us at: [freeoffer@hiregolden.com](mailto:freeoffer@hiregolden.com).
